Dear Ms. Wickman:

On behalf of the Board of Director's, the staff, and especially the numerous boys, girls and families who participate at our San Bernardino Boys & Girls Club, we would like to extend a special and heartfelt THANK YOU! We appreciate your dedication and commitment to our youth by providing positive and motivated college students as summer interns.

Holistic Healing for Youth has provided our youth with positive role models and mentors that improved our summer youth programs and activities that truly support our children and their families. Without positive collaborations, our boys & girls would be denied many positive opportunities. Please be assured that we look forward to working with you in the future.

Thank you for your efforts in helping us make our club ***"The Positive Place For Kids"***.

Sincerely,

Herbert L. English, Jr.
Director of Operations
